

## **Noble High School Mission Statement**

Noble High School, a community of learners, believes that we are all capable of success. Through a rigorous curriculum, we foster the academic and personal growth of life-long learners. We value small, heterogeneous communities, which encourage innovation and honor the voices of all.

## **Computer Lab Rules**

### **Dos**

- ✓ Respect teachers and other students.
- ✓ Follow directions in class.
- ✓ Be present to each class. Absence of 8 classes will result in Not Passing.
- ✓ Come to class on time and be prepared.
- ✓ Check assignments and homework on the teacher's website.  
<http://nhs.sad60.k12.me.us/~sun/FrontCourse.htm>
- ✓ Finish and submit assignments on time.
- ✓ Use the computers that you have regularly used.
- ✓ LOG ON and LOG OFF the computers using your ID and password. Keep your IDs and passwords to yourselves.
- ✓ Save your work to your accounts in the school server. You are responsible for any work or assignments lost.
- ✓ Take care of school property. You are responsible for any damage occurring to your computer or equipment during class time.
- ✓ Log off at end of the class.
- ✓ Keep the computer area clean and chairs in proper place when leaving the lab.

### **Don'ts**

- ✗ Do not bring food or drinks in the computer area at any time.
- ✗ Do not download any games, pictures, video files or non-class related materials.
- ✗ Do not LOG ON to another person's account or change other's work/ files.
- ✗ Do not hack into the network.
- ✗ Do not install any software, or modify or delete any system files or change or modify computer settings.
- ✗ Do not use school computers for online chatting or instant messaging in class.
- ✗ Do not copy or plagiarize any work of other individuals.
- ✗ Do not use the computer to view or create inappropriate language, images or video files at any time.
